SECTION 3 – STUDENT DECLARATION

Majors in articulated programs cannot be altered. I.e. It is not possible to graduate from one major and then articulate to a different major.

Articulation will take place in the current semester if the application was made prior to the census date, or the next semester if the application was made after the census date. Census dates for each semester are 31 March (s1) /31 August (s2).

I understand and accept the conditions of articulation in programs managed by the School of CSE.
